PETITION TO REVIVE UNINTENTIONALLY ABANDONED PATENT

APPLICATION UNDER 37 C.F.R. § 1.137(b)

An Office action was issued on June 28, 2005 ("the Office action"). The Office action contained only restriction requirements. The Office action set a shortened statutory period of one month for a reply. The maximum time period allowable for a reply, including extensions available under 37 C.F.R. § 1.136, was six months (one month shortened statutory period, plus a five month extension). Thus, the time period for reply expired on December 28, 2005.

In response to the Office action, applicants made a *bona fide* attempt to submit a full reply thereto on July 25, 2005. However, a notice of incomplete response was issued on September 19, 2005. A second *bona fide* attempt to submit a full reply to the Office

action was made on September 28, 2005. However, a notice of incomplete response was issued on December 16, 2005.

Applicants are submitting herewith a reply to the Office action which, applicants believe, is a full response to the requirements of the Office action. A petition for a five month extension of time for the reply also accompanies.

Applicants did not receive a copy of the second notice of incomplete response that was mailed on December 16, 2005. The issuance of this second notice was not discovered until February, 2006, after checking the status of the application in PAIR. From the time the second reply was submitted on September 28, 2005, until the second notice of incomplete response was discovered in February, 2006, applicants believed that the requirements of the Office action had been fulfilled. Therefore, the entire delay in filing the required reply from the due date for the reply until the filing of this petition was unintentional.

Respectfully submitted,
